PROGRAM YEAR 2016 FUNDING

*PY 2016 WIOA funding is made available through the Consolidated Appropriations Act, 2016 (Public Law 114-113) dated December 18, 2015 and released on April 1, 2016, July 1, 2016, and October 1, 2016. It increases the amount available for Statewide Activities to 15%. ** Pursuant to the Consolidated Appropriations Act, 2016, ETA transferred .25% of the funding appropriated for Training and Employment Services (TES) from the Youth, Adult and Dislocated Worker programs to the Department's Chief Evaluation Officer before allotments to states were calculated. * **Authorizing legislation** such as WIOA Public Law 113 -128 establishes policies and funding limits for programs and agencies.

** **Appropriations legislation** gives Departments authority to obligate and expend federal funds related to the program authorizations. Appropriations can further restrict the purpose, time, and amount of the program authorizations and through the Anti-Deficiency Act, Departments are prohibited from overobligating or overspending an appropriation. Appropriations legislation would include the Consolidated and Further Continuing Appropriations Act, 2016 (P.L. 114-113); the Continuing Appropriations and Military Construction, Veterans Affairs, and Related Agencies Appropriations Act, 2017, and Zika Response and Preparedness Act enacted September 29, 2016 (P.L. 114-223); and the Further Continuing and Security Assistance Appropriations Act, 2017, enacted December 10, 2016 (P.L. 114-254).
